

The Essentials

Your house caretaker is **Julian** (pronounced hu-lian) and is generally available if you need any assistance. He speaks very good English. Julian's phone number (from your cell in Playa) is (home) # 984 803 6870, (cell) # 984 807-4001. A fair amount of gratuity is a minimum of \$2.00 per day. Their envelopes are on the table by door.

Convenient Phone Numbers:

Call your cell phone carrier to see if your phone is compatible in Mexico and if you must activate international service. There are considerations for what you have to dial if you need to get a hold of someone via cell phone in Playa. Since you're outside of the US, you'll need to use the country code to call a US number. The country code for the US is +1 (or use 001) (to get the plus, hold down the 0 on the keypad) To call each other and to the US: 001 + area code + seven digit number. (Leave out 044 while in Playa) (add 984 to 7 digits if using your cell).

We would like to take this opportunity to Thank You for being a guest in our home. We hope you enjoy your visit and created this guide to help show you around the city!

There are so many excellent (reasonably priced) restaurants within walking distance of the home, that often times we fail to use the kitchen in the house. We have a few "favorites" that we will share with you in this guide.

We have established relationships with many of the owners managers and key staff at a variety of places in Playa. Showing this booklet may get you some deals and / or elevated levels of service at certain places.

Please refer to your initial packet if you need any additional information or contact us

*Please have your cab driver show this to the guard at the gate to our neighborhood known as **Playacar Fase Uno** (Playacar phase one). The guard will then give your driver directions.*

To get to the House, Have Your Driver read this:
Estas personas necesitan ser llevadas a Casa De la Pescada Blanca en Playa del Carmen. Casa De la Pescada Blanca esta localizada en Playacar fase I. Esta en la misma area de Fisherman's Resort. El guardia que esta en la entrada les dara direcciones exactas cuando haigan llegado si le muestra este papel. ¡Muchas Gracias!

Our Favorite Dining Locations

[CO] = Cash Only **Translation Tips:** La Cuenta, Por Favor = Check Please, Calle = Street, Avenida = Avenue

For the BEST french toast, and excellent breakfasts... and for some of the best shaved pork (pastor) tacos, and sauces...with a "FROSTY" mug of beer...**Carbonitos**...about 30 feet away from 5th Avenue on 4th Street (right next to Haagen-Daas). **[CO]**

A great breakfast / lunch place is **The Hot Baking Company**, the toasted sandwiches are great. Most are prepared after trying the egg salad sandwich (grilled). It was made fresh and tasted great...so did their hotz sandwich. They are located about a ten minute walk (once you hit town) go down 5th Ave. (main) to 14th St. turn left up 1/2 block on left.

Tango Taco go down 5th Ave. (main) to 10th St. turn left up 1/2 block on right, and they have unbelievable Arrachera (Steak) Tacos as well as regular steaks... We always get a plate of grilled veggies as appetizers (per every 4 people) also their appetizers breads and sauces are wonderful. This is one our favorite places and is extremely reasonably priced. **[CO]**

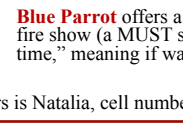

Babe's is the place to go for egg rolls that "melt in your mouth"...they also have some wonderful Thai soups, the portions are large (so we usually do the 1/2 order)... go down 5th Ave. (main) to 10th St. turn left up 30 feet on right. You may have to wait around dinner time for seating...but it is worth it!!! **[CO]**

Wicky's is a new steak house with one of the Chefs from Del Frisco's. It is the finest dining in Playa and located just below the famous lighthouse, right on the beach.

Also, if you want a beach portrait, call **Zasil Foto Playa** 984-803-5128...one of the photographers is Natalia, cell number is (044) 984 129 0506. She will come to the house and take some amazing family photos on one of the nearby beaches (tell her "Casa de la Pescada Blanca")

TIP

La Cueva Del Chango (Cave of the Monkey) - has a delicious breakfast in a jungle environment. The fruit salad with yogurt and granola is to die for, but is enough for two. Their fresh juices are authentic, and almost anything on the menu is guaranteed to be delicious. It's located on the other end of town, a block East of 5th avenue on Calle 38, so you may want to take a cab. **[CO]**

For an Italian experience close to the house with great food and service, try **Rolandi's**. When you get to 5th ave by Carlo's and Charlie's (by the fountain) look to your left and there it is (at the very start of 5th Avenue). They are very fairly priced, and take Visa. Overwhelmed with too many delicious choices? We recommend item numbers 58 & 59 for your main course, and splitting #78 as an appetizer (per 4 people).

There are many places to lounge on the beach, and some have better food than others. Mamita's beach is located about a block north of the northernmost pier and always has a lot of people. **Fusion** is another place on the beach with live music and good food/drinks. It is a little closer to home, located at the end of Calle 6 (6th Street).

For a very nice dining experience Mediterranean Seafood Cuisine, **Kartabar Restaurant and Lounge**, take 5th to Calle 12, take a right on 12 and walk down to corner restaurant on left hand side (Jamil is the owner). White linen on tables, great food, service, and a great place to people watch for that dinner before the late scene starts at the Blue Parrot. You can also smoke Flavored Huka.

NIGHT LIFE: Playa offers a variety of options to suit any style of night life you choose. Here are some of our favorites.

Señor Frog's is a great place for appetizers and drinks. The night life is entertaining, with an incredibly engaging staff. If it seems slow, wait until 10-11pm and it should pick up.

Blue Parrot offers a modern dance club with the dance floor on the beach hosts their famous fire show (a MUST see) sometime between 11 and Midnight most nights (that's "mexican time," meaning if want you an exact time, go beforehand and ask).
